ORDER:

Government of Andhra Pradesh aims to strengthen the health systems in the State with the World Bank Assistance by providing quality health services to the citizens while reducing the out of pocket expenditure on families. Keeping in view the Government's developmental agenda for the State, the project is prepared to ensure that an all-round strengthening of the health sector is proposed. The major areas are the strengthening of the infra structure of Primary care facilities, enhancing patient safety in hospitals, improving skills of service providers at all levels by developing a training resource base for the State for all trainings and to provide for a better system of information communication technology for health service delivery, and disease outbreak management. The Four key areas of focus are identified under the project is as follows:

Activity 1: Infrastructure: Strengthening of Primary Health care system by strengthening / transforming the Sub centres as e-Primary Care posts. 6000 sub-centers that have ANMs to be connected to Primary Care consultation by electronic media and Over the Counter Drug vending machine for providing quality controlled health access

Activity 2: Quality: Enhancing the Quality of service and Patient safety in hospitals which will lead to QA certification by GOI (NQAS Standards) for DHs, AHs and CHCs & National accreditation board for hospitals (NABH) for Teaching Hospitals

Activity 3: Skill: Improving the Skills to address the Maternal and Child Health indicators (SNCU and NBSU based training), Disaster management and Disease &Epidemic Management Systems. This would include outcome based partnerships for targeted reduction of disease & mortality estimates and establishing technical institutions dedicated to research & training in key priority areas

Activity 4: Governance & Informatics: Health Governance system strengthening to address priority health issues with focus on weak and vulnerable sections of the society through effective implementation of Electronic Health Records in all Teaching Hospitals, District Hospitals, Areas Hospitals and CHCs for in-patient care; interface with health records of PPP based program and schemes promoting universal health care through public and private sector hospitals. Integration of retrospective trend based disease data with prospective climatic data for hot-spot identification and other such value additions would also be part of strategy.

2. Government after careful examination hereby accord Administrative sanction to strengthen the Health Systems with World Bank Assistance with an estimated cost of Rs.3127.3 crores (with 70% share from the World Bank (INR 2189.11 Crs) and 30% (INR 938.19 Crs) from the Government of Andhra Pradesh), subject to condition mentioned in the letter read above. The activities envisioned in this order would be implemented through specific projects and sub-activities with mutual consultation of HM&FW Department and the World Bank. Efforts shall be made to ensure delivery of key facilities in a time bound manner through partnerships with other stakeholders, service providers and technical agencies. The duration of the project will be five years.

3. This order issues with the concurrence of Finance Department vide their U.O.No.6/4-12/Health/Fin-PMU/2016, dt.19-01-2018.
